Stay Smart. Stay Safe.

Join us for “Stop the Scam,” a community program presented by Miami Township Police and Fire, focused on helping seniors recognize and protect themselves from scams.

The session will be led by Ken Blendea, who brings over 20 years of experience in the financial industry, including 15 years in financial security, and holds certifications as a Certified Financial Services Security Professional (Retd.) and Certified Financial Crimes Investigator (Retd.).

You’ll also hear from John Cooper, Community Health Coordinator for Miami Township Fire & EMS, who leads programs focused on prevention, wellness, and connecting residents to helpful resources. A Warren County Deputy will be on hand to answer questions and provide additional support.

Don’t miss this informative and empowering event designed to keep you and your loved ones safe.
